

SIGNA4

- Comply with all National Fire Service codes for the U.S. and Canada
- Braille plates feature highly durable, cast tactile markings that meet the most stringent requirements
- LED-illuminated buttons available in red, white, or blue

This line of signal fixtures comes with stainless steel finish with charcoal trim and buttons that feature standard blue illumination (red or white optional). The line allows for the renovation of metal finishes without requiring the removal of a box or frame.
